

SRC Young Chemists' Day 2023

Monday 22nd May 2023 – University of Mons

Auditorium La Fontaine (Centre Vésale, Campus Plaine de Nimy)

Avenue du Champ de Mars 6B, 7000 Mons

Time slots available for oral presentations

Posters session

Prizes for best presentation and best poster!

This year's theme is:

**Modelling:
a powerful tool
for your research
in Chemistry**

Illustrated by 3 invited speakers:

Prof. David Beljonne (UMONS), 'A computational microscope view on organic electronics'

Prof. Benoît Champagne (UNamur), 'Walk of a theoretical chemist in the field of nonlinear optics'

Dr. Andrea Minoia (UMONS), 'Computational chemistry: a bridge between theory and experiment'

(Registration is mandatory – 5€ attendance fee for SRC non-members)
